Ministry Report of May- June 2026

Dearest Pastor Mark and Praying Partners,

Praise be to God for all His wondrous works in the ministry here at Calatrava. We are blessed to share how the Lord is moving as we minister to our people and in reaching souls for Christ. We are also thanking God for the life of some of our church members who are willingly helping us in the ministry particularly in children's ministry. Truly, it is a blessing to see how God's word is being manifested in their lives. Now, the juniors that we have been teaching before, are now the ones teaching in our children centers. Praise be to God, for helping us reach young generations whom we are also praying that someday, they will be the ones to reach the younger generation for Christ.

Thank God for 4 souls who accepted Jesus Christ through our soulwinning and visitation. One of them is Analy, who is consistently attending to church every Sunday. We are doing follow ups and we are praying for them to be more receptive with the word of God.

Home Bible Study & Prayer Time

We also praise God for the weekly bible study and prayer time in Calampisawan Village. It is our prayer to teach them more about the word of God and to have prayer time together. We are always thanking God for His goodness and faithfulness in our lives especially in the ministry here at Calatrava. We are also forever grateful to God for the gift of salvation that we received. And praying also for the salvation of the lost souls here at Calatrava.

Children Centers

We are also thanking God for blessing us with good number of kids in our children centers. We are blessed to teach them with bible verses, and bible stories. We also love to hear them memorizing the bible verses especially the little ones. It is a blessing that some of the kids are already attending to church. We pray that these kids will learn more about the word of God and that they will continuously attend to church and join our children centers every Saturday.

VBS 2026

We had also our Vacation Bible School last June 3-7. Thank God for blessing us with a beautiful church building: we are able to have a good place for the kids. We also thank God for His provision for our VBS, and for the help of some of our church members in inviting kids and in doing the decorations. We had "Rainforest Falls: Experiencing God's Nature" as our theme. We thank God for blessing our VBS with 42 kids. We had a successful VBS and we thank God for helping all of us in teaching the kids about the theme. We all enjoyed the VBS and we thank God for His goodness.

VBS 2026

The kids enjoyed the VBS from the action song to the bible verses and stories, crafts, game time and snack time. We are also happy to see them enjoying the theme as well as the simple decorations that we made. We also thank God for His provision that we are able to prepare the kids some snacks after the VBS class. We also pray to God for some school supplies that we can give to them before the opening of class. And thank God for His provision that we were able to give them some things that they can use in school. Above all, we praise God for being with us always, for answering our prayers for the VBS & for His provision & protection to us especially to the kids.

AWANA CLUBS

Thank God after our VBS, we have adapted AWANA CLUB in our Jesus Kids Ministry every Sunday. We have started it last June 14, & it is a one-year curriculum. We had invited our VBS kids and thank God some of them attended and are still coming to church every Sunday afternoon. We are blessed to teach the kids & we are praying that as they continue to come, they will learn more about the word of God. Thank God as well that some of the kids are also inviting their friends to come to church and join AWANA.

MOTHER'S DAY SUNDAY (May 10)

We also thank God for the fathers and mothers in the church. God entrusted us an extra blessing that we have used to buy a laundry basket for the mothers on mothers' day and we had a simple lunch for the fathers to celebrate the Father's Day.

FATHER'S DAY SUNDAY (June 21)

Prayer Requests:

1. Pray for more souls to get saved here in Calatrava.
2. Pray for our children ministry, & God's provision for our children's feeding.
3. Pray for Brother Reymon's US Visa interview on August 6. Pray for God's approval to him to renew his us visa.
4. Pray for our consistent attender: Analy. Pray that soon she'll also decide to follow the Lord in water baptism.

Friends, thank you once again to all your prayers and consistent support to our family and the ministry. We thank the Lord for the opportunity to give you all updates about the ministry here in the Philippines particularly at Calatrava, Negros Occidental. We are also praying for you all. God bless you.

In Christ,
