Dear Friends,

We received your gift, and **we are truly grateful, more than words can describe**. Every morning at Lighthouse, we open the mail with anticipation, praying over each envelope and thanking God for the people He uses to care for these precious young ladies. Your generosity is one of those encouragements that reminds us we are not walking this road alone.

Your support continues to make a life-changing difference in the hearts and futures of the young ladies God brings our way. Whether a girl has just arrived with more questions than answers, is faithfully working through her program, or is preparing to step into the next chapter of her life, your giving provides **a safe home, a Christ-centered education, loving guidance, and the opportunity to hear about the One who will never leave them**.

In recent weeks, we have watched the Lord bless our ministry in remarkable ways. One of the greatest encouragements has been seeing **Phase 1 of our Welcome Center & Education Building** move forward. After much prayer and planning, watching this project take shape has reminded us again that God is still writing the story of Lighthouse.

As with most building projects, we have experienced a few unexpected changes and adjustments along the way. **The funds for Phase 1 are now nearly exhausted, and we are preparing to begin raising the support needed for Phase 2**. This next phase—**approximately \$170,000**—will allow us to complete the interior spaces, expand our classroom and life-skills areas, and create a warm, welcoming place for families and guests to learn more about the ministry. We are trusting the Lord to provide, just as He has so faithfully done through friends like you.

We have also seen God's hand at work in the lives of the girls themselves. **This past month, we welcomed two new young ladies into our program and celebrated as two others completed their time at Lighthouse**. Each story is different, each journey unique, yet in every life we see the unmistakable fingerprints of God's grace.

Please continue praying for our ministry, pray for the young ladies currently in our care, for those who have recently returned home, for families seeking help through our admissions process, and for our staff as they faithfully serve each day. Your prayers strengthen this ministry more than you may ever know.

Thank you for being such an important part of Lighthouse Children's Home. Whether you pray, give, or simply encourage us along the way, you are helping make a lasting difference in the lives of these precious young ladies. We are grateful for you.
