Dear Bro. & Sis. Moore & Church Family,

First of all, please allow me to apologize for the terrible delay in thanking you all for the wonderful time I had with you the first weekend of this month. Unfortunately as I had texted, I got terribly sick for a few weeks after I was there. I still have a dryness in my chest that makes me cough from time to time but praise the Lord, I'm back up and running.

It was such a blessing to be with you all again. I always enjoy coming down to Calvary. The room provided was very comforting and restful, not to mention the first class meals provided by the gourmet cook Mrs. Vera. Too, it was so nice to be able to sit and fellowship in a home rather than the loneliness of a hotel room. The privacy in hotel rooms is nice at times but sometimes you just need that good Christian fellowship of a home. Thank you for providing that.

Thank you for the privilege to preach and present our ministry once again. I certainly find CBC easy to preach to. The folks are like sponges waiting to absorb what thus saith the Lord. What a blessing! Then too for your vote of approval to be your representative in Southeast Asia, I am humbly grateful.

Thank you so much for your confidence in us and commitment to us as we partner together to make a difference there. I promise to represent you all to the best of my ability and communicate what great things God will do.

Thank you for the kind and gracious offering as well. I appreciate you allowing the Lord to use you all to meet our needs.

Your friend with love and prayers,

*Bro. Chris*
