## Summer Celebrations

### Celebrating 20 Years of Impact!

This Summer, in Zomba, Malawi, the Passion Center celebrated our 20<sup>th</sup> Anniversary! What an honor it is to join hands with you, **our partners and friends**, in order to make known the amazing Love and matchless Grace of God our Savior!

We hosted a few events to honor our Staff, celebrate the lives of all the Passion Kids, and join together with our sister churches to have fun and give thanks to God for all His faithfulness in allowing us to join Him in Rescuing, Redeeming and Restoring!

We welcomed various government representatives, traditional leaders, our Board members, local teachers-who brought their entire classes, recording artists, entertainers, as we as a full marching Band!

What a privilege and honor it's been to serve the Lord these past 20 years! And in faith, to look to God to allow us to continue this work in the years yet to come.

Again, thank you for joining us in reaching this 20<sup>th</sup> Year! To God be all the Glory!

### ECD Ministry Update-

What an amazing year the Passion Center's Church Based Early Childhood Development (ECD) Centers are having!

We witnessed the expansion to three new church sites! And also the graduation of a new class of learners headed to Primary School! What a joy to see God touching, encouraging and meeting the needs of hundreds of village children and their families!

**The Three New Sites** are at Migowi, Namikango and Jali Community Churches. All together that's 135 new 2-3 yr old kids hearing for the first time that Jesus loves them; getting a solid beginning in education that their families could not afford; and receiving twice daily the healthy nutrition they lack!

Also, that's 135 new Passion ECD kids that you can now sponsor. Your sponsorship means they have someone who prays for them and gives to allow these churches to impact their communities.

**Another ECD graduation!** The 1<sup>st</sup> ECD site at Mulunguzi Community Church graduated another class (5-6 yr olds) this summer, and what a celebration this was! Relatives, friends and School Leaders attended and few students were asked to demonstrate some things they learned to the audience. These kids were AMAZING! They are learning to read, write, and communicate in English, which is one of the largest barriers to completing school in Malawi, since upper grades are taught in English as well as the graduating Exams. Now, these kids are better prepared to do well in Primary School.

Please pray for the new teachers, the new students, for families to turn to Jesus & join these sister churches, for partners to sponsor the ECD kids, and funds to build classroom shelters. Thank you.

### An OT Team Visits & Makes a Difference!

It's beautiful to see how God brings Teams to Malawi to serve our sister churches, our orphans & communities, and especially, our Special Needs kids-the Champs! Just recently a team of therapists from Midwestern University came alongside our Champs and

Community Health Networks staff teams to train, encourage and build into their ability to bring hope into our Passion Champs and their families!

What an amazing two weeks of training, caregiver support, and individual assessments. These partnerships strategically help us serve hundreds of villages all in the Name of Jesus!

If you would like to sponsor one of our Champs for just \$25 a month, you can do so by visiting our web site

### YES! Our 100 Desks Drive & a Stove!

Yes, in just one month our friends and partners raised enough funds for 2 Campaigns! That is amazing and what a blessing that will be.

To recap we wanted to purchase an additional 100 desks for Mulunguzi Primary School after we donated 50 during our 20<sup>th</sup> Celebration Event. Now two more classes will have enough desks for the students to sit on instead of the floor! What a blessing for the School and students to know that there are people who want to

encourage them and let them know that Jesus loves them!

Also, now the Chikondi Infant Rescue Home has a brand new gas stove! A Washer and new high chairs are coming soon. All because you moved to provide what the Home needed!

We are so humbled that God led you all to be our partners and friends!
