Dear Friends,

For over 47 years, God has given us the calling to care for children who have nowhere else to turn. We experience a lot of heartbreak while helping these children, but it's always worth it. Each time the phone rings we are reminded that He's not finished with us yet. He continues to send us broken children, that are looking for refuge.

Often times I'm reminded that everyone has a story. Some stories don't always start out good, but with God's grace and the love of Jesus, He can turn every story around.

We've recently welcomed several new young ladies into our program, and over the past few weeks, we've received many more applications from people in desperate need of help. It is a reminder that the work of the Lighthouse is needed now more than ever, with so many children in need of a chance to rewrite their stories.

As our program grows, so does our need for additional dorm staff. These women play a critical role, serving daily to help guide the young ladies in our care. We ask you to join us in prayer for God to provide more staff who are passionate about helping young ladies find hope and healing.

We are encouraged to know that you are also a part of this ministry; your prayers, your gifts, and your support make the Lighthouse a place where change happens. Together, we are creating a refuge where broken stories can be rewritten.

Thank you for helping to make a difference, one life at a time.
