MISSIONARY TO HONDURAS

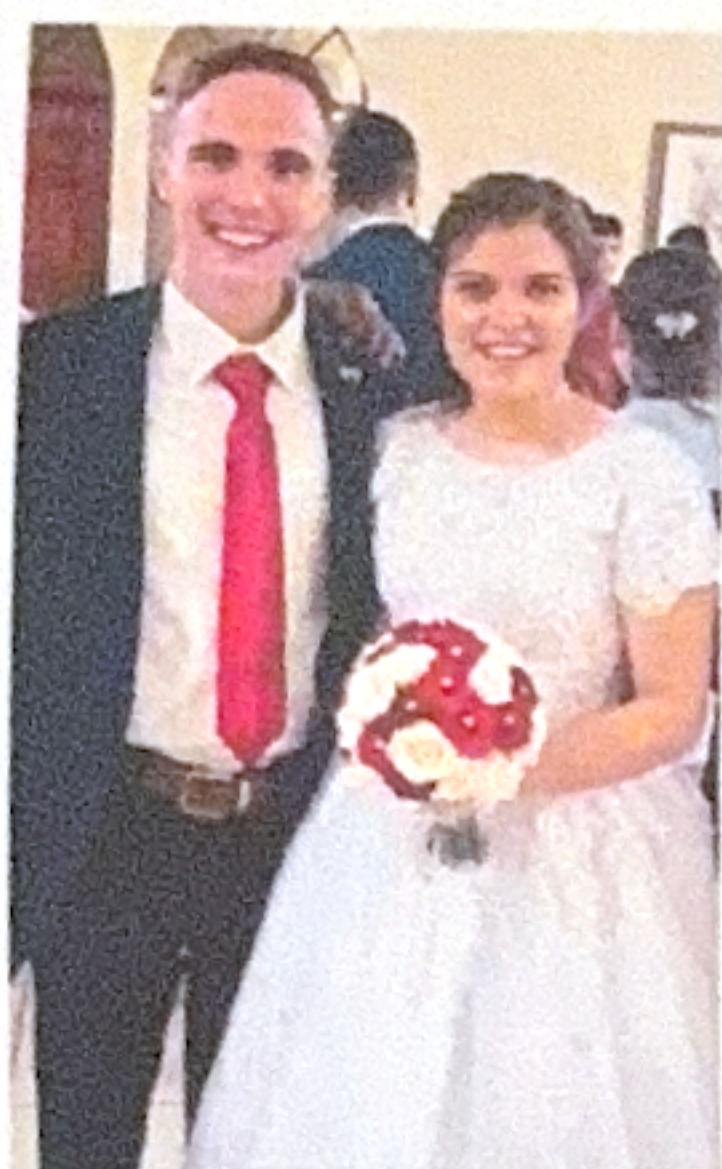

"I must work the works of him that sent me, while it is day: the night cometh, when no man can work." John 9:4

June 2025 – July 2025

Dear Friends,

As a child, I always wanted a surprise birthday party. However, since my siblings' birthdays are very close to mine, it was more practical to have a combined party. One thing I have learned with my specific friend group in Honduras is that birthdays are VERY important; and surprise parties are their most beloved way of celebrating. Almost every year for the last ten years, my friends have thrown me a "surprise" party. At this point, everyone just kind of laughs and asks when the surprise party for Ericka is going to be. I pretend to not know what's going on while they pretend to be subtle about the plans. But either way, we always have a lot of fun!

We also had a wedding right before I left to go back to the USA! One of my friends, who graduated from our seminary, married a man from the USA, Robert Small. The wedding was beautiful, and I was asked to be a bridesmaid! I am excited for them as they begin their journey as a family. But I'm also excited for them because they are planning on staying in our ministry! Robert and Reveca have a huge burden for young teens and children, and they have lots of plans to help further the ministry. It is a blessing to have a godly couple join our ministry that can dedicate their time and energy to help our teens grow in their spiritual and physical lives.

Once I got back to the States, life did not stop for me. In fact, I'm not sure which is busier for me, Honduras or the United States! My dad is the maintenance man at our church, so when I am not visiting churches, I help him. Though I missed the VBS week, I got back just in time to help take our massive train to another church who was using the same theme that we were. It was a lot more difficult than we thought because it was so heavy! I also helped mow our church's five acres weekly, I helped with the set up for our Primary camp, Day camp, and Youth camp, (at the youth camp, I was in charge of the games for the week,) I helped my mom with the special music for our annual ladies' prayer retreat, and many more special projects throughout the summer! I also visited many different churches, updating supporting churches along with trying to raise support for my ministry here. Praise the Lord for the new church that took me on this summer!

Thank you for your prayers for our ministry here in Honduras!
