Ministry Report of August to October 2025

Dearest Pastor Mark and Praying Partners,

We praise God for His goodness & faithfulness to us & in the ministry in Calatrava, Negros Occidental.

By the grace of God, we have celebrated our 8th Year Mission Anniversary with the theme, "Forward by Faith Exodus 14:15." The Lord blessed our mission anniversary with a good attendance. There were also some visitors & our sending church came to celebrate with us, too. We are also blessed with the word of God shared by Pastor John Paul Braga, our guest speaker. We also thank God for we are able to celebrate our 8th year mission anniversary in our new church building. Truly, it's all because of God's amazing grace! We had also a lunch fellowship after the service.

We also praise God for the souls who got saved during our soulwinning these months of August, September & October. One of them is Brother Joseph invited by Brother Geobet, a member in the church. By the grace of God, he has been attending the church now. We are praying that as he comes to church, he'll learn more about the word of God. We are also doing some follow ups to the other people who accepted the Lord Jesus Christ. Praying that one day, they will also be able to come to church to worship God with us & learn more about the word of God.

Sister Sarah was also able to witness this young lady & her mother who claimed themselves being possessed by evil spirits. Praise God! They accepted Jesus Christ in their hearts. Sister Sarah also told the young lady that now that she is saved Jesus already reigns in her heart & that "greater is He that is in us, than he that is in the world."

We are also doing cottage prayer meeting every Wednesday afternoon in one of the villages where our church members lived. It is also a blessing that two persons got saved during one of our prayer meeting, James & a young mother, Liani. We are also conducting this cottage prayer meeting because we have two old couple who can no longer come to church because of some illnesses but still have the desire to learn God's word. Sister Arsenia has some complications in her heart, kidneys, liver & intestines. We are always taking time to visit her as well to encourage her, pray for her & show her that Jesus cares for her. Help us pray that soon a public hospital will already be open to receive her for admission. Her family can't bring her in a private hospital due to financial incapability. We have encouraged her family to bring her soon in a semi private hospital so she can be seen by doctors and we'll also do our best to help them by the grace of God.

Sister Sarah has also set a keyboard class tutorial for the juniors & some young people in the church every Saturday @2 pm. We are praying that God will bless this young people so we could have additional musicians in church. By God's provision, we are able to add 2 new portable keyboards that they can use for learning & practices.

We are also praising God for our Jesus Kids Ministry. We are blessed to teach these kids with the word of God, & feed them after their class. We thank God for His provision as well that we are able to minister to these precious kids.

We also thank God for His provision for our church building. We thank Him for our church ceiling & for the flooring. We are praying to continue the painting of the church ceiling & for the installation of the ceiling outside the church & the paint of the outer side of the church. Friends, continue to help us pray for the Lord's provision for the completion of our church building.

We thank you also for the consistent prayers & financial support to us & in the ministry here in Calatrava, Negros Occidental, Philippines. Thank you for your heart to serve God & for your love for missions. We are blessed to have prayer & financial partners in the ministry. We love you all & we are praying for all of you.

In Christ,
