Dear Friends,

The holiday season is always an exciting time here at the Lighthouse Children's Home! Our girls are looking forward to all the special activities that come with this time of year. This season also comes with its challenges as our young ladies navigate emotions, memories, and new experiences. We ask that you keep them in your prayers during this time.

We are so grateful for your continued support and generosity. God has continued to bless in wonderful ways! We're excited to share that last month, we were able to bring in two new young ladies. These first few weeks are always a time of transition, but we're already seeing the Lord at work as they begin to settle in.

This time of year, we're busy getting ready for our Home for Christmas Banquet. It's one of our favorite events where we get to celebrate what God is doing at the Lighthouse. If you haven't already made plans to come with us, we hope you will because we would love to see you there!

Thank you again for standing with us and for caring about the girls here at the Lighthouse. You are a big part of what makes this ministry possible.
