Dear Friends and Supporters,

Thank you for taking time to read our prayer letters, this one it a little different because we are covering three month's with it. I let time get away from me and didn't get it out to you as I should had. Please forgive me. We thank you for your continued support and prayers for Vicki and I as we try to keep Victory Baptist Press and the need of printing the Word of God for World Wide Missions before local churches.

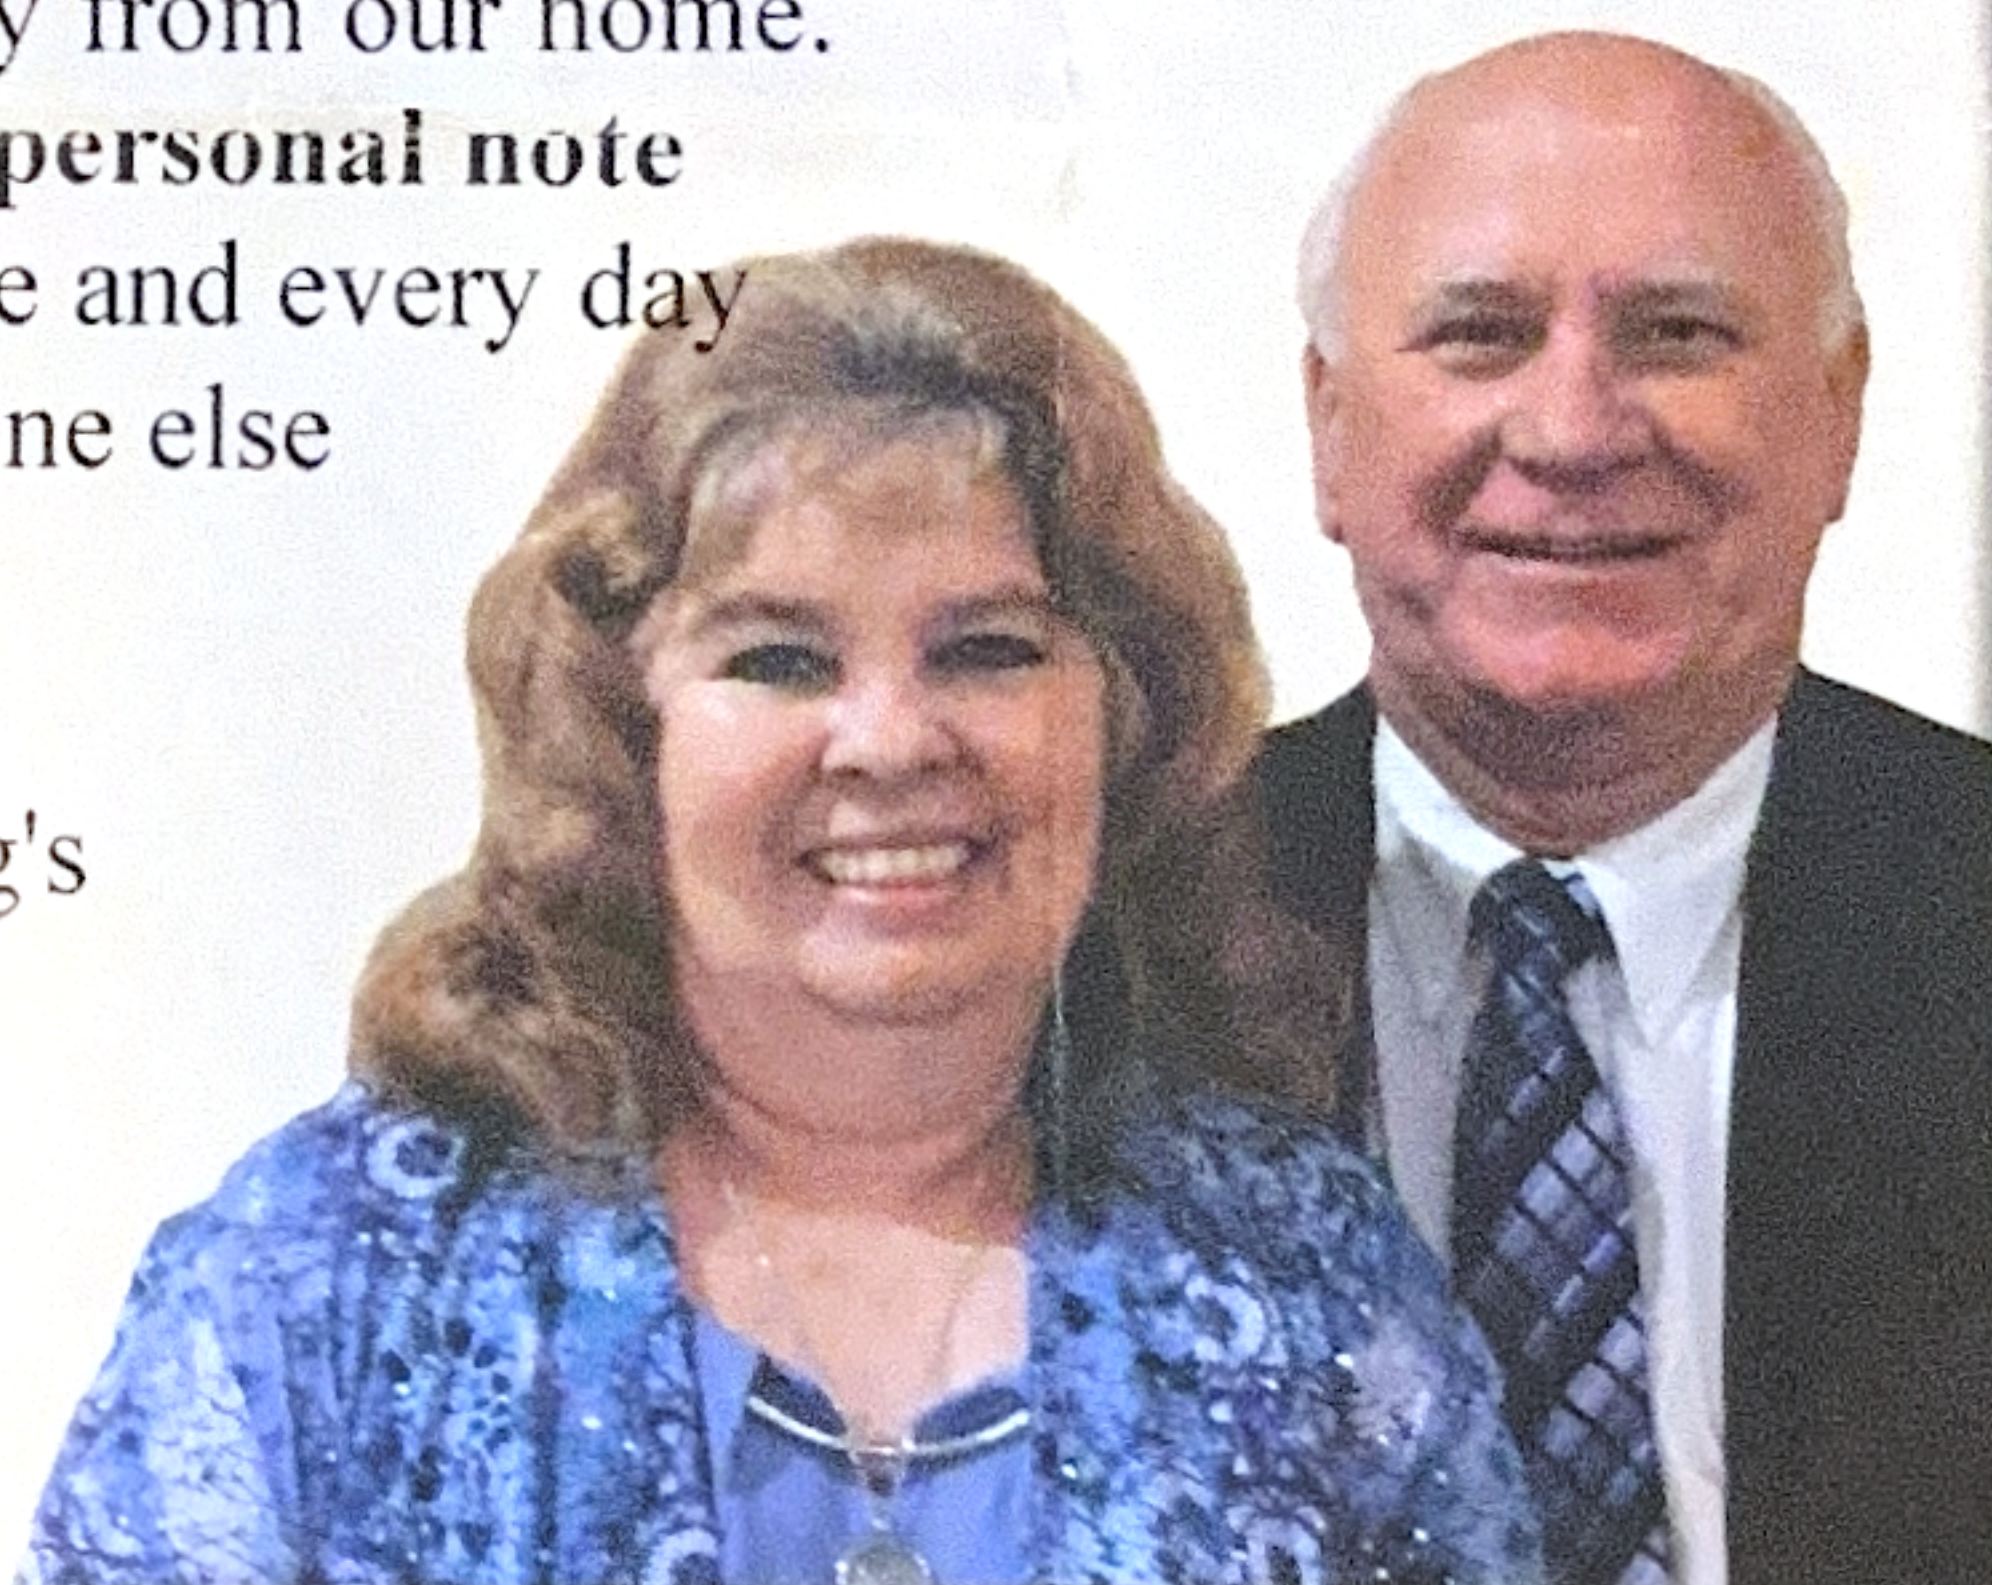

On the Road

In September we were in churches in South Carolina, Florida, Georgia and Alabama. Then in October we were back to Florida, then North Carolina, Virginia for seven different churches. Then November all of our meetings kept us in the Carolina's. Three of these churches were New Churches that we have never been to before and then three churches had New Pastors we were able to meet. In all we have been in 36 churches since our last letter and slept in 26 different beds away from our home.

On a personal note

Vicki and I are both doing fine and every day we feel blessed to help someone else get a Bible in their hand.
