## The Joy of Outreach and Community

### College & Sports Outreach

Praise the Lord for the 4 gospel Outreaches this past month! It's amazing to see all the opportunities to share the gospel and the growing joy and desire that church members have to do these Outreaches!

The College ministry is growing and it's so encouraging to be able to take a large team out to the colleges to conduct Outreaches. Our new Bus makes that possible.

### Bringing a Community Together

It is so inspiring to see the parents and guardians of our Early Childhood Development Center (ECD) children contributing their time and efforts to help make this ministry a success!

Through your donations, the ECD children attend this quality, Christ-centered, Church-based pre-school ministry for free. They learn, hear and see that God loves them, and develop a greater sense of community—all under the umbrella of our local churches.

Here at the Mulunguzi ECD, we witness community involvement as parents and guardians of the kids volunteer to assist in preparing and cooking the meals their children will eat. Intentionally, all our churches select the children and families in greatest need to attend this 4-yr ministry.

Most of the stories we hear during the selecting process are that parents/guardians cannot regularly provide the food these young children need, let alone pay for them to attend an ECD. These are the families we want to reach with the love of Jesus!

We also invite the parents and guardians to help out at the ECD centers by cleaning, cooking or assisting the teachers. What a joy it is to see a growing community of support and encouragement!

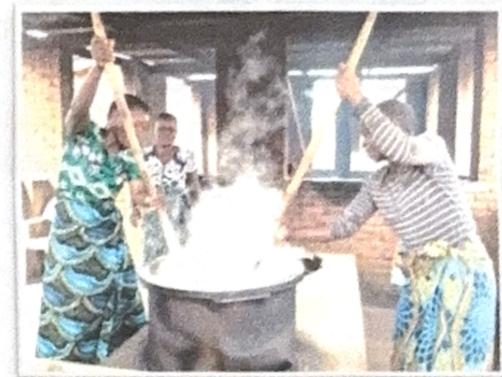

Please consider strengthening and expanding this ministry by sponsoring an ECD child. You can read their profiles and select to sponsor one for \$25 per month. Please go to our website:

In addition to going to colleges, Outreach teams went out to two sports fields and shared the gospel.

We're thankful for the 235 young people who said 'Yes' to Jesus during the 4 Outreaches- 203 during the College outreaches and 32 during the Sports outreach!

Please keep praying for these doors to remain open; that these new believers would come to our family of churches; for God to bless and encourage those who went out to share the gospel; and for the resources and funds to conduct more Outreaches!

## Widows-Communities that Care

Isaiah 1:17 says, "Learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow." That captures our core desires as a Church-based, Christ-centered ministry. We love to show the widows and elderly in the villages around our churches that God loves them and hasn't forgotten them.

These food packages, along with sharing the gospel, and spiritual encouragement is one way we do that.

## 2026 Malawi Mission Trips
