### Dear Supporters and Praying Friends;

We have waved goodbye to 2025, being grateful for all the blessings that our Lord has sent our way. Truly God has been good to Vicki and I, and we by faith look forward to another year serving our Savior in the work of the Gospel of Jesus Christ. We enjoyed both Christmas and New Years with our family around the holiday tables. Vicki is such a good cook I gained an UN-needed 5 lbs. Now I've got to try and loose it.

### On the Road

From a church in Spartanburg, to a church in west Georgia, to the print shop in Milton, then back to our home, where I preached in a church two Sundays in a row because they are without a pastor at this time. We attended several fellowship meetings and gave an update at two more churches. January had us in a meeting in North Carolina giving an updated report on the VBP then driving to Florida, I preached at the Solid Rock Baptist Church in Milton, FL where we spent the first 7 years of our Christian life growing in the Lord. We attended the Jubilee at our home church and then drove back to SC to preach at three churches near our home. Then bad weather moved in and for over a week it has been Ice and Snow and bitterly cold.

### On a personal note

For over a week Vicki has had a problem with her right foot, she's not been able to put weight on it without severe pain. Please keep her in your prayers. We thank you for all you do.
