### Ministry Report of January-February 2026

Dearest Pastor Mark & Praying Partners,

We thank God for His faithfulness to us and in the ministry especially as we continue serving Him this year 2026. We pray that the Lord will continuously bless us & the ministry as He proves His goodness & sustaining grace to us in the year 2025.

We pray that this year 2026 will also be a fruitful year. We pray for more souls to get saved, pray for new visitors to come to church, new believers to follow the Lord in water baptism, pray for the spiritual growth of the church, & pray for the involvement & commitment of the church members in the ministry.

Friends, thank you so much for your unceasing prayers & continuous financial support to us & in the ministry here. We thank God for giving you all as our prayer & financial partners in the ministry. Thank you for always remembering us in your thoughts and in your prayers. We are also praying for you all & always thanking the Lord for your hearts to love, pray & support mission.

Friends, we are blessed to share to all of you how the Lord is doing great things in the ministry here at Calatrava, Negros Occidental this January and February 2026. Truly, the Lord hears our prayers & He answers them according to His will.

Praise God, for these precious souls who accepted the Lord Jesus Christ in their hearts as their Lord and personal Savior. One of them is, Antonio Jr., the eldest son of Sister Arsenia, our church member. We were able to share to him the gospel & thank God he accepted Jesus Christ in his heart. We also invited him to church & he was able to come with his 3-year-old daughter.

It is also a blessing that Sister Sarah is discipling one of our young people in the church, Angel. She taught her how to share the gospel & praise God, last January 17, one high schooler visited the church, and Angel was able to share to her the gospel.

We have also our cottage prayer meeting every Wednesday afternoon & we praise God that through this, we are able to invite some of the immediate relatives of our church members. They said that they want to go to church but they are being persecuted by their family especially their parents. That's why, for the meantime, we are just inviting them in the cottage prayer meeting so they can hear God's words.

We also thank the Lord for the opportunity to teach these kids with the word of God and feed them as well as the Lord provides. Though some of them are being persecuted by their parents, we thank God these kids are still coming to church every week, excited to hear bible stories, memorize bible verses & play with each other.

We also had a joint young people fellowship with our sending church last January 12, with the theme, "The answer behind all whys." We have given some invitations to the high school students near our church & it's a blessing that there were 5 teenagers who were able to come and got saved.

Some also wanted to join but they sent us a message that their parents would not allow them to join the youth fellowship because they are catholic. Despite the situation, we thank God that we had a successful joint youth fellowship. I had the privilege to preach about the theme & praise God the youths understand that the answer behind every why's is Jesus.

Last February 25, IBMA-Negros held a joint ladies fellowship with the theme “whose heart the Lord opened taken in Acts 16:14. Seven ladies from our church were able to joined the fellowship. Praise the Lord for the success of it. Our ladies testified that the fellowship and the sharing of God’s word was a blessing, a challenged and encouragement to them.

Our ladies had also a combine special number with our sending church. Praise the Lord, our ladies are doing their best to do what they have learned from the fellowship and in God’s word.

#### Prayer Requests:

1. Please continue to pray for more souls to get saved in Calatrava.
2. Pray for every one’s spiritual growth in the church.

Friends, thank you for taking your time to read our ministry report. Continue to pray for us, as we also pray for you all. God bless us all.

In Christ,
