ADULT & CHILDREN'S SERVICES

Living Water Baptist Church: We thank God for more visitors at our church in Jarabacoa. We had 2 baptisms for our new members.

Gospel Light Baptist Church: the adult and children's ministry is growing and they are excited about hearing God's Word every Saturday and Sunday. We are so blessed to be used by our Lord and Savior for His glory.

Brothers and Sisters,

"Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you." Hebrews 13:17

To our brothers and sisters in Christ Jesus, we want to give warm greetings to you all in the love of our Savior. We want to start by thanking God for so many pastors who take good care of their congregations. Like guide us on the path of our Lord Jesus, but also help the missionaries as well in different parts of the world - from the bottom of our hearts, thank you Pastors!

We are also grateful for the good Samaritan's Purse ministry. We received 9 boxes full of gifts for the children. Many of these children do not receive gifts for Christmas, but God always arrives on time and we are fortunate for so many people being used by the Lord to give and see a smile on the children's faces. The most valuable gift is to see these boys and girls receive the story of Christ and be saved by Him!

I am so grateful for my daughter, Gabi, for inviting her classmate Yoseily, and then she invited her sister Yosephine. Yosephine got saved and a few Sundays ago she came and asked to be baptized. We met shortly after to talk about the baptism and she did not want to wait until Sunday to get baptized - she decided to be baptized on Saturday, invited her family, and God gave us the opportunity to preach the Gospel to her parents. Her open request was that her parents and siblings get saved and follow Jesus. Her words brought tears to her younger sister, Yoseily, but also brought conviction to her parents.

Pastor Joshua was also present with his family and while they watched the baptism, his daughter said she also wanted to be baptized. He asked her, "Merylyn, Who is Jesus?" and she said, "He is my Savior!" We prayed and cried together with joy in our hearts. His mercy reaches into the depths of our hearts.

final thoughts...

"O Give thanks unto the Lord; For he is good: For his mercy endureth forever." Psalm 136:1

Thank God that we can turn the church into a hospital for the sick. Recently, we welcomed a group of doctors from the state of Maryland. The Word of God was shared and 2 precious souls professed salvation in Jesus!

We also wanted to ask you for an urgent prayer for Bensley, the boy we have talked about that was injured and was in a wheelchair. He has 2 infections that have reached his bones and according to the doctor, it could cause death if nothing is done. We praise God that the doctor got together with several churches from the states to start a GoFundMe page to pay for all of the medical expenses of the hospitalization and the medicines. The medicines that he needs are very expensive and Bensley's family does not have the resources to pay for it. We know that God will provide according to His riches in glory. Also, several of the neighbors of the church got saved and also 2 young men have confessed Jesus as their Savior.

We are grateful for all the work that Pastor Aderson has done, and is doing, in the church in La Vega, Gospel Light Baptist Church, with the children and adults in the neighborhood. God is so faithful to provide all that we need and to give us many opportunities to share the Gospel.

Doulos Ministry >>> by Ann Concepcion

Hello everyone! God continues to work in the hearts of my students on a daily basis. There are about 3 students that are getting closer and closer to making a profession of faith and I praise God for working in their lives. Right now we are learning about fractions, figurative language, the books of the New Testament, and Human rights. I am amazed at how they think and reflect on different aspects of God's Word. Please pray for these 3 students to give their life to Christ. Please pray for me as Lucas' graduation gets closer - which means we will be bringing him to the States in June. It gets harder and harder to leave them but I am so proud of them at the same time.
