Victory Baptist Press

Dear Supporters and Praying Friends;

Paul wrote “*making mention of you in my prayers*” Eph 1:16b As I send you our updated report for the last two months, both February and March have found us more focus on praying for you, our fellow-laborers in the Gospel. Because without prayer the work of the Gospel grinds to a halt. We realize that by keeping you before the Throne Room of Heaven, you in turn are keeping us there as well. Thank you for your prayers and support.

The print shop received it's long awaited shipment of paper in middle February and started printing right away on the next load of promised bibles. While waiting for the paper, a large printing of John & Romans had been printed and a lot of clean up and maintenance was done at the print shop. I have made several trips to the ministry to prepare a printing press (that we have given to another ministry) to be moved. Recently VBP purchased a new piece of equipment for the shop and I have been preparing a needed Electric outlet to power it and moving other equipment around to get floor space.

Vicki continues to have flair ups on the problem with her heal, but she is tough and doesn't let it stop her. We've stayed busy in meetings both near our home and out on the road. We've been in 25 different church meetings representing the VBP and I have preached twelve different times since our last letter, thank the Lord for those who help us print the Word of God.

In Closing, If any of you pastors would like for us to come by and give an update on the press please give us a call, and pray for open doors for us continue to seek new supporters for Victory Baptist Press.
