2026 1st Quarter

Hello Praying Friends,

First of all, please allow me to apologize for the delay in correspondence. We normally send out letters every two months. However, 2026 certainly has not started as well as we had hoped. I have struggled with pneumonia and a few other physical issues. Amy has had all kinds of dental issues and on top of all that, my father passed away unexpectedly in Tennessee. I have been the one to deal with everything pertaining to the arrangements and all the details that have to be taken care of after a death. I gladly do this for my dad but it has been difficult to say the least. We thank those of you who were aware of this and prayed for us. His grace has been sufficient.

In spite of all these difficulties, the Lord made it possible for me to go over to the Philippines and take Pastor Josh Gerwitz with me for his first visit to the Philippines. He taught a class in the Bible College on the Life and Ministry of the Apostle Paul. He did a great job. Our staff, students and church planters all enjoyed his teaching and training. We also had the privilege of visiting some of our churches and strengthening them through the ministry of preaching and teaching the Word of God.

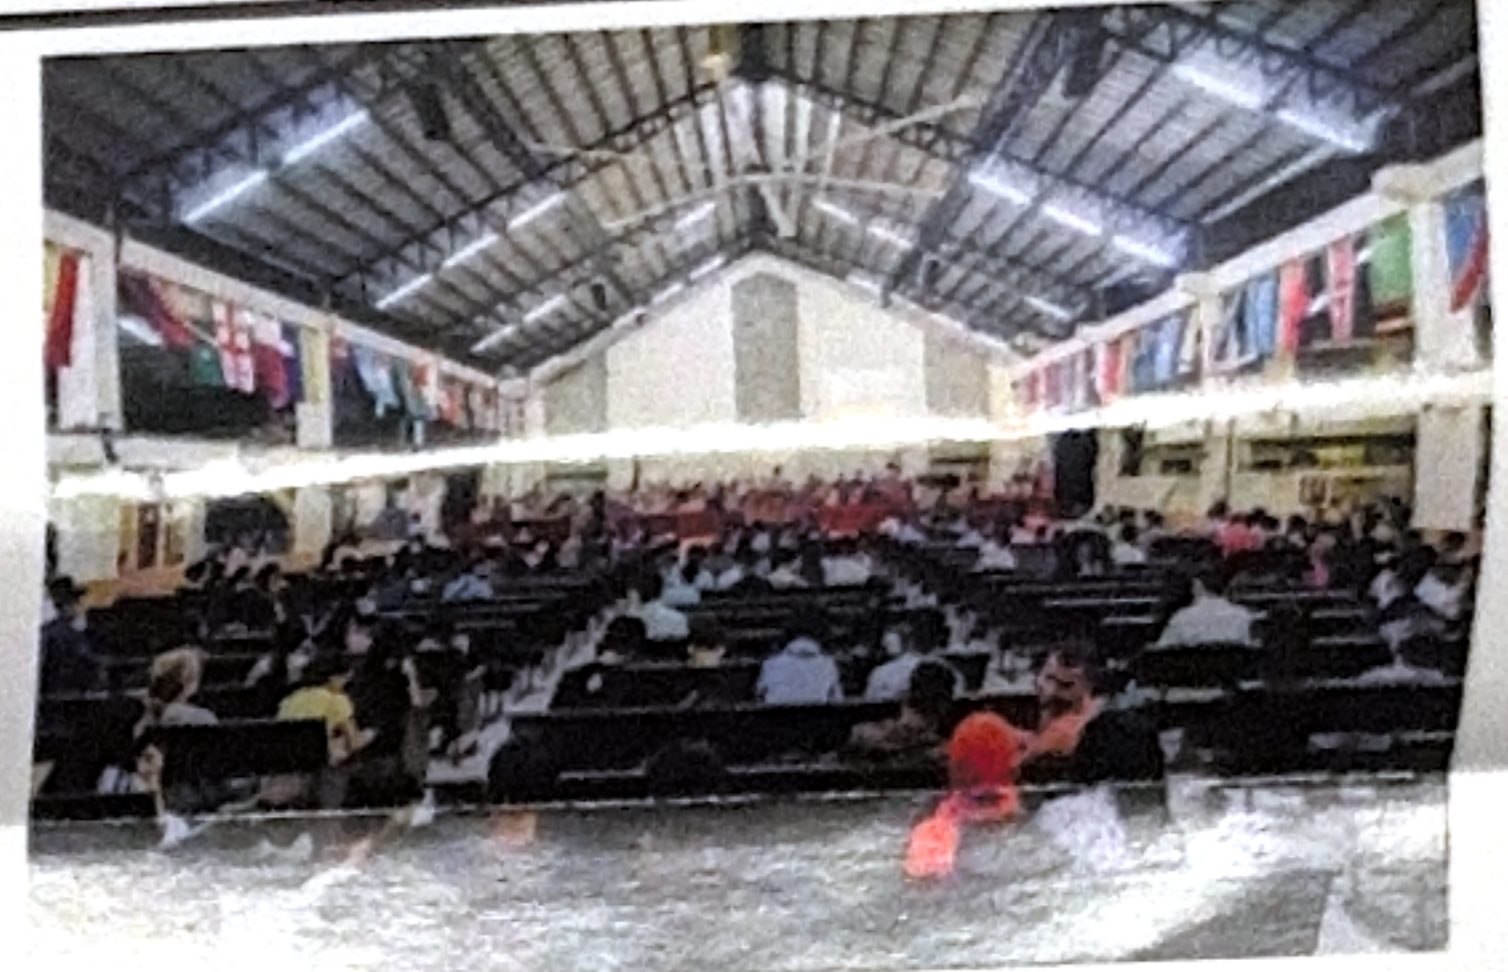

We would ask you to pray for the next quarter of meetings. We want to honor the Lord in all that we do. Pray that the Lord would give us favor with pastors and church families to partner together to continue making a difference in Southeast Asia. Lord willing, I will be taking a group of young people over to the Philippines in July to conduct public school ministry and community Bible Clubs with kids, as well as feeding programs. Please pray that this trip would make an eternal impact on the young people taken as well as being a blessing to the Filipino people. Please continually pray for the Lord's provisions of our personal support, as well as our work and travel funds. If you would like to help with these missionary journeys, you may mark your offerings as Travel Fund and the CMC office will manage it accordingly.

Your friends and servants, *The Chris Murray Family*
