Dear Friends,

I wanted to take a moment to personally thank you for your recent gift. Your kindness and willingness to give truly means more than we could ever fully express.

As we look back on the month of March, we are incredibly thankful for how the Lord blessed our annual tour. It was such a special time for our girls and staff.

Over the course of those days, we traveled about 3,000 miles, visited churches, and had the opportunity to share what God is doing at Lighthouse. Our girls were able to sing, give testimonies—growing in confidence and in their faith, and also take part in educational experiences along the way. It was a joy to watch them take part in the ministry and see the Lord work in their hearts along the way.

Everywhere we went, we were reminded again and again how faithful the Lord is—and how He uses people like you to strengthen and support this work.

We are especially grateful for your prayers. There were many moments throughout the trip where we needed the Lord's help, and He provided exactly what was needed, exactly when it was needed. We truly believe that was a direct result of God's people praying.

Since returning home, we have already begun receiving many calls and applications from families seeking help for their daughters. It is a clear reminder that the need is great, and that the work here at Lighthouse continues to be important and necessary.

As we move through April, we ask that you continue to remember us in your prayers.

### **Pray For Us!**

*"Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest." Matthew 9:37-38*

**Pray for wisdom as we review applications and speak with families. Pray that the seeds planted during the tour will continue to grow in the hearts of our girls and for continued strength and wisdom for our staff.**

Thank you again for your giving, your prayers, and your continued support of Lighthouse. We are truly grateful for you.
