Dear Friends in Christ;

This past couple of months have gone well, both with Vicki and I and the ministry. The last part of April we stayed near our home where I was in eight different churches, both preaching and giving updates on the ministry. One of the churches I was blessed to preach a mission conference where we was able to introduce the people to *Faith Promise Giving*, it truly was good to see the church go to a new level of missions giving.

The month of May had us on the road in both revival's and mission conferences after several meetings in South Carolina we headed to a church in Alabama delivering some scriptures, also being in another church giving an update on VBP then we worked a few days at the print shop there at VBP. Then preaching at the Enon Baptist Church in Walnut Hill, Fl. From there we was in another church in central Alabama as we traveled back to SC to preach near our home for a local pastor then we attended an HOPE OF ISRAEL CONFERENCE at the Mt. Zion Baptist Church. After this we loaded our car with an order of Bibles and drove to Memphis, TN. Where I preached at the Oaklawn Baptist Church. Then after delivering the Bibles we made our way home. It's a lot of miles but that's what we do as field rep's.

June has had us in SC, NC, Al, and Florida. In May VBP delivered 10,000 Bibles to Concord Baptist Church in Burnsville, NC to be used in a ministry known as *10-8 ministries* that minister to police officers through out the state of North Carolina. Please pray that these bibles will become life changing tools in the police officers hands. We do thank you for your support and prayers for Vicki and I.
