Passion Prosthetic Ministry & More

Join Our Newest Ministry:

The Passion Prosthetic Ministry (PPM)

In faith, we are launching the Passion Prosthetic Ministry (PPM), and we invite you to help us begin this urgently needed work.

Three months ago, we shared the opportunity God had placed before us to bring hope to people learning to face life after an amputation. Through Brent and Dan, we saw the tremendous need in the rural areas of Malawi. We also saw how God could use this ministry to bless those who are living with deep loss, discouragement, and uncertainty after losing a limb.

The goal of PPM is to share the love of Christ in a practical, life-changing way by providing prosthetic care to people who have lost limbs and cannot access the help they need. Through this ministry, we want to reflect the love, hope, and grace of God found in Jesus Christ.

This ministry is about far more than physical care alone. Along with prosthetic care, we will share the Gospel so that each person knows they are seen, valued, and deeply loved by God, and that through the death and resurrection of Jesus Christ, they can find eternal life and true hope.

We hope to serve individuals and families by helping restore mobility, dignity, and hope through the gift of a

prosthetic limb and the support needed to move forward. We will also provide follow-up care, encouragement, and

ongoing support as recipients adjust to their prosthetic, continue rehabilitation, and connect with a caring community of believers.

In March, we provided care and prosthetic limbs to 7 individuals. In July, another prosthetist is coming to serve an additional 7 to 10 people. The need is great, and to

continue meeting it, we need a faithful team of ministry partners.

Would you prayerfully consider becoming a regular PPM partner or making a special gift to launch this ministry? When you partner with PPM, you help someone take meaningful steps toward renewed mobility, restored confidence, and lasting hope in Christ.

Thank you for considering how God might use your generosity to change a life.

Reigniting Lameck's Dream

Lameck is a Passion student who once struggled academically and showed little interest in class activities. Much of this was due to a lack of learning materials, unmet basic needs, and the caring encouragement every child deserves. Through remedial classes, consistent academic support, and spiritual mentorship from our staff and after-school program, Lameck began to regain confidence and rediscover his dream.

Today, Lameck's progress is truly inspiring. He has ranked at the top of his class for three consecutive terms, a wonderful sign of how far he has come. In recognition of this growth, the Passion Center recently honored him as the Most Improved Student among primary school students.

Lameck is committed to continuing to work hard, and he hopes to become a teacher one day. Please join us in celebrating his achievements and praying for his continued focus, growth, and success.

Working Together to Meet Those Critical Basic Needs

In Malawi, many children face the daily burden of malnutrition, and 33% of children under age 5 experience stunted growth. For children who are orphaned, living with a disability, or growing up in poverty, the need is even greater.

Yet through God's provision and the faithful support of sponsors, lives are being changed. Through the Passion Center program, Feeding Centers, monthly food deliveries, and access to a greater variety of nutritious

foods, more than 700 children are receiving the nourishment they need to grow and thrive throughout the year.

Your prayers and generosity make this possible. Please join us in praying that God will raise up even more sponsors to walk alongside, care for & pray for our Passion Kids.

Remarkable Change for the Good

When twin babies Eric and Tanisha first arrived at Chikondi Home in May 2024, they were incredibly small and fragile. Looking at their side-by-side photos from 1 week old to 1 year old, we can see God's faithfulness in their lives.

This year, they will celebrate their second birthday—a beautiful reminder of His care and provision. Chikondi Home offers hope, love, and a safe place for vulnerable children who do not have a family able to care for

them.

Please join us in praying for these precious children and thanking God for the way He is working through Chikondi Home.
