Those Important Next "Steps"

Celebrating Partnerships and our NextGen Passion College Students

We are convinced that next to the gospel, education can have the greatest impact on an orphan's life. That's why we both encourage our students to do their best academically as well as cover all the educational costs from Early Childhood Development to College.

This month we're highlighting Linda and Joseph, who will join our growing number of Passion Students who have qualified for university level education. What an accomplishment for both students!

Joseph was selected to start Medical School at Kamuzu Health Sciences University to become a doctor. We want to thank his sponsors for all their support and prayers as well as the Passion Center Staff for pouring into him the hope and love of Christ.

Joseph said this after learning of his selection, "I am very grateful to God and pray that He continues to receive all the honor. I dream of becoming a doctor. This is a dream come true for me, and I will continue working hard to achieve it."

Linda was 3yrs old when she came to the Passion Center. She's overcome so much. What a joy it is to see her grow in Christ and serve at Mulunguzi Community Church. She was accepted to attend an outstanding private University and will study to become a teacher.

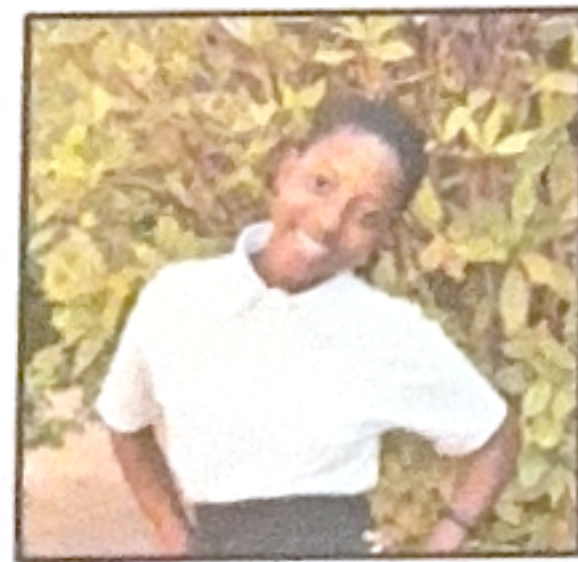

Would you please consider helping us with the College Tuition, books and living costs for Linda, Joseph and the other college students? It only costs us \$1,000 per year for a student to go to college.

Normal Passion Center sponsorship provides so much to our Passion Kids, but when they qualify for college, we need NextGen Education gifts to help them take that next step possible. God has been so faithful, and our partners have been very generous- because of that, we've never failed to send those who've qualified to college!

To make a gift please go to our website or when sending a check, please note that your gift is for Education and write NextGen on the memo line/box.

New Church Plants Coming- The Pastor Apprenticeship Program

Please join us in celebrating the start of the 2nd cohort of our Pastor Apprenticeship Program (PAP)!

We're trusting the Lord, that we'll see strong and fruitful new Churches planted!

This month 6 men started the 8-month Apprenticeship Program, which gives them training in actual church ministry as well as experiencing how the various Passion Center ministries helps strengthen and expand the community reach for the local church.

The PAP allows us to select and train men who sense a calling to church planting from both our School of Missions and Ministry as well as the Passion Center for Pastors ministry.

We're praying that the Lord will provide the 9.5k needed for all 6 future pastors during the next 8 months. If you'd like to partner with us in this effort, please go to the donation page of our website and indicate the gift is for Pastors Apprenticeship Program or note PAP on your check.

Next Steps- The Prosthetic Ministry

In Malawi, many people urgently need prosthetic limbs. The goal of Passion Prosthetic Ministry is to share the love of Christ in a practical, life-changing way by providing prosthetics and the special care needed to those who have lost limbs and cannot access the help they need. Through this ministry, we want to reflect the love, hope, and grace of God found in Jesus Christ.

We invite you to join us so those who have no access to Prosthetics can take their first steps into a new future

The guardians of Chinsini-a 4 yr old boy, often worried if he'll be able to go to school. Now he's being fitted with leg prosthetics with the hope of walking, going to school and even playing soccer!

Evelyn was born with a tumor on her foot. Before she was 2yrs old, they amputated her foot. She is now 25 yrs old and for more than 20yrs her mother prayed for God to send someone into their life that would improve her daughter's mobility.

Last month Evelyn was measured for a prosthetic! And her mother said that God used the Passion Center team to answer the prayers for her daughter!

Your donation helps both kids and adults. We have two Prosthetists who come to Malawi and volunteer their time and skills while also training our Staff to do the scanning, fitting and after care.

Would you prayerfully consider giving towards helping others take a 'next step' by making a gift towards the following:

- Below Knee Prosthetic: \$1,100
 - Above knee Prosthetic: \$1,800
 - Gel Liner: \$ 150
 - Care Package: \$ 50
- (Limb Sock, Chaff Barrier Cream, Prosthetic Salve, Antibacterial Soap)

Arnold's Next Chapter

Arnold came to Passion Center in 2012 at just 11 years old. After losing his father at age 6, his family struggled, and Passion Center came alongside them with practical and spiritual support.

When Arnold could no longer continue in school, he joined our new Vocational Training Program and chose bricklaying. There, he gained hands-on skills, received startup tools, and soon found work helping

build classrooms at Mulunguzi Primary School. His dedication and quality work impressed the contractor so much that he was offered a full-time job.

"I am so thankful to God for the opportunity to learn hands-on skills," Arnold says. "It is a skill no one can take away from me. God has changed my life for the better, and I thank Passion Center for not giving up on me."

Arnold's story is a beautiful reminder of how vocational training can open doors, restore hope, and transform lives. Please consider becoming a Vocation Training Partner.

Impact Tour 2026: Live Updates from Malawi with Abusas Pilira, Saul & Edwin

Exciting news! Abusa Pilira, Abusa Saul, and Abusa Edwin are coming to the States to share inspiring updates about the incredible work the Lord is doing in Malawi through our partnership together. This will be a joyful opportunity to celebrate God's faithfulness and to personally thank everyone who has prayed, loved, and generously supported this ministry.

We'll be visiting several states from 2 Sept - Oct 5th, and we would love for you to join us if we're in your area. To find out when and where we'll be near you, contact: hello@passioncenterforchildren.org.

From all of us at the Passion Center- thank you for your prayers and support. May the Lord guide you, protect you and bear great fruit in and through you! *Eric*

Consider making a difference in the life of an orphan or vulnerable child. Or become a monthly ministry partner, there are many children and ministries to love, support, and pray for.
