Victory Baptist Press

Dear Friends and Supporters,

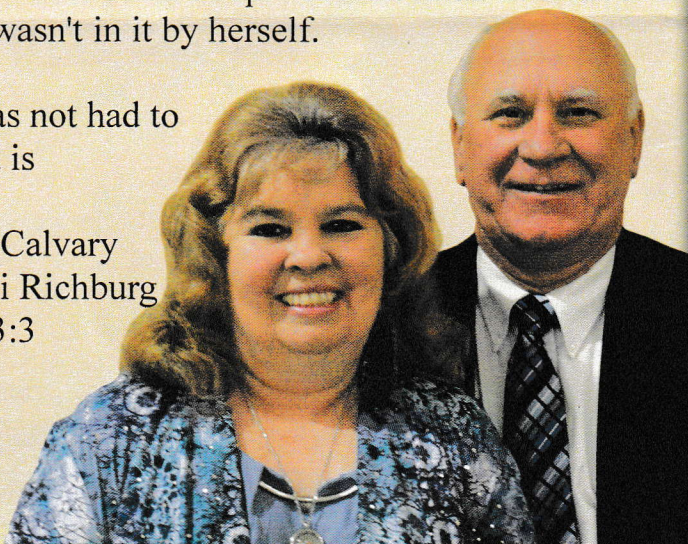

"Every Creature". This mornings world population reached 7,782,419,650 quickly approaching the 8 Billion mark and were commanded to reach every creature with the Gospel, (Mark 16:15) Wow! What a big Job to do. Since 1984 Victory Baptist Press has been helping local churches fulfill this great commandment, Thank you for all you do to help us.

Early in March Vicki and I traveled to Oklahoma for meetings in several churches and as we got there the Covid-19 lock down was just starting, the meetings went well however, pastors were beginning to face the questions of *what and how to do* to deal with the virus, once we got back to our home Vicki had some more doctor appointments and then we went to Florida for a few days to do some work and then back to our house in SC where we have been waiting out the shutdown as all of you have.

Most of you have already gotten the word concerning Vicki's cancer. On the 18 of March She had 12 more biopsy's done and the next day she received a call from the doctor saying that the cancer was gone and couldn't be found! In our last prayer letter we ask for your prayers saying "**God is Able**" well **HE DID**, thank you for all of your prayers, they made the difference. People were praying all around the World and God's People showered us with love and care letting Vicki know she wasn't in it by herself.

In closing, the VBP print shop has not had to close down and the Word of God is still being printed.

Because of Calvary
